TURKS MASS GREAT ARMY ON CAUCASIAN BORDER

ALLIED FORCES HOLD THEIR OWN AND ADVANCE SLOWLY AGAINST GERMANS

Belgians Advance Under Great Difficulties Over Poor Roads and Inundated Country Under Constant Infantry and Machine Gun Fire—Three Villages Re-occupied by Marines—German Attack South of Dixmude Fails and Allies Force Them to Evacuate Position.

GERMAN ATTACKS GO ON UNCEASINGLY

Franco-British Lines Have at No Point Drawn Back and Troops Make Notable Progress in Several Directions—Germans Repulsed in Some Instances After Hours of Furious Fighting—German Retreat in Poland Confirmed—Russians Cross Into Armenia and Occupy Four Towns.

Paris, Nov. 5, 5:30 p. m.—President Poincare has sent a letter to War Minister Millerand, in which he declares that, after a long series of violent engagements, the allies have repulsed the desperate attacks of the enemy.

London, Nov. 5, 4 p. m.—The British mine sweeper Mary was sunk by a mine in the North Sea today. Six of the crew were rescued. The survivors, who were landed at Lowestoft, reported heavy gun fire off the Yorkshire coast this afternoon.

Paris, Nov. 5, 3:55 p. m.—The Temps has received a report stating that American marines have been landed at Beirut, Syria, for the protection of American interests.

Paris, Nov. 5, 2:47 p. m.—The French official announcement given out in Paris today says that the allies have made slight progress to the east of Neuport on the right bank of the Yser.

The text of the communication follows:

"On our left wing the allied forces have made slight progress to the east of Neuport, on the right bank of the Yser. From Dixmude to the Lys, the German attacks were renewed yesterday, but at a number of points with lessened energy, particularly with regard to the actions of their infantry.

"The Franco-British lines have at no point drawn back and our troops, undertaking the offensive, have made notable progress in several directions. "Between the region of La Bassée and the Somme, the day was notable, particularly for an artillery contest. "We have maintained our occupation of Le Quesnoy-En-Santerre, and advanced perceptibly in the direction of Andechy.

"On the center, between the Oise and the Moselle, there has been a recrudescence of the activity of the Germans, manifested particularly by their artillery fire.

"Summing up, it may be said that the attack of the enemy at various points on our front have been repulsed in some instances after an engagement which lasted all day long. On our right wing there is nothing new to report."

Japs Bombarding Vigorously.

Tokyo, Nov. 5.—It is officially announced that the bombardment of Tsingtau continues vigorously. The Germans on the night of November 3 made a counter attack which for a time hindered operations.

The attacking forces, according to the statement, are gradually closing in. Shells are falling in the streets and the power house has been destroyed.

On November 4 the Japanese right captured some small forts and an officer and twenty soldiers. Shells struck and burned the Bismarck barracks.

German Losses Enormous.

Paris, Nov. 5, 9:50 a. m.—A late official communication from the Russian government is contained in a Petrograd dispatch to the Havas agency. It says:

"The losses sustained by the Germans on the East Prussian front are considerable. Of certain companies only eighty men remain."

"On the night of November 3 we took Milawa, near the Prussian frontier. Forty Cossacks, armed with pickets of the enemy, sabred forty and took an officer and twelve men prisoners, losing only two killed and three wounded."

"Austrian deserters, of whom the number is steadily increasing, state that discord reigns between the Austrians and the Germans. They also declare that the latter have suffered enormous losses."

Paris, Nov. 5.—Renewed violent attacks on the part of the Germans were expected today in the region between Dixmude and the Lys.

The recent efforts of the enemy in this section, in spite of the fact that they have been reinforced by new contingents of reserves as well as by active troops, are believed here to have been unsuccessful. According to the latest review of the situation made in Paris both the allies and the Germans are fighting hard for every inch of this territory. The

against which the Germans proposed to deliver their hardest blows.

Opinion here is divided as to whether this fresh attempt to open a way to the channel will rival as intensely the struggle along the Yser. Some British optimists hold that the apparent exhaustion of the Germans is an indication that they are really planning to fall back, as they did before Paris on the entrenchments they have been so carefully preparing everywhere back of their lines. If this occurs it will mean another period of siege warfare along the entire front in Belgium and France, a condition which probably will persist until one side or the other starts off on a new tangent as did the Germans in their coastal attempt, thus creating some new acute area of hostilities.

More Naval Actions Predicted. Meanwhile indications are that naval operations will become daily more prominent, particularly as Turkey's entrance into the situation widens the field for such warfare.

No British ships are in Chilean ports. The fate of the three British cruisers that engaged five German warships off the coast of Chile and the transport that accompanied them remains a mystery.

On this mystery is based the British hope that one or more of their vessels survived the action. A dispatch from Santiago today disposes of an earlier report that the British cruiser Glasgow and the transport Oranito had been bottled up in Chilean waters by the German cruisers Leipzig and Bremen. The whereabouts of the two latter cruisers also is in doubt. Of the nine vessels that figured in the naval battle, only one German warship, Scharnhorst, Gneisenau and Nürnberg, have been definitely accounted for. After coming into Valparaiso, they again sailed.

No Word from Battleship.

Nor was there any word today of the British battleship Canopus, which the admiralty says had been sent to strengthen Rear Admiral Cradock's squadron. There is nothing to indicate that she arrived in time to participate in the fight.

Allies Are Relieved.

The new drive for the southeast of the heavily reinforced German forces in Belgium has been met by a counter offensive of the also augmented armies of the allies in the vicinity of Ypres.

"The Franco-British lines have at no point drawn back," says the afternoon French statement, "and our troops undertaking the offensive have made notable progress in several directions."

Slight Progress Claimed. It is declared that the allies have made slight progress to the east of Neuport and that the German attacks from Dixmude to the Lys are being made with less energy. Renewed German activity is reported on the center without notable change, and on the right of the allies the situation remains deadlock.

The Russian war office announces that Russian troops have entered Turkish Armenia, defeated the Turks and occupied four towns.

Belgians Issue Statement.

Havre, Nov. 5, via Paris, 2:05 p. m.—The Belgian government issues the following statement:

"The Belgian detachments, which progressed as far as Lombaretyde towards the Yser, between Saint George Capelle and Tervaele, could only advance with great difficulty owing to poor roads and the inundated country. They also were harassed constantly by the infantry and machine gun fire of the enemy. The enemy still occupies St. George Capelle and the farms located on the left bank of the Yser in the neighborhood of Schorbalke Tervaele and Stuyvenskerke, were reoccupied by marines."

Germans Driven Back.

"To the south of Dixmude, the Germans made an attack last night in the direction of the Bixchoote bridge. They failed in the attempt and were forced to evacuate completely the village of Bixchoote to the south of Zandvoorde."

The enemy continues to attack with the greatest violence along the front of the allies between Holbeke and Messines. All positions have been held and at certain points the allies have progressed, notably towards Holbeke and Wytschatele. "In the region of Armentieres and to the south of Lys the situation remains the same as heretofore."

London, Nov. 5, 9:55 a. m.—Naval news looms large in London today. The British public is seeking details of the battle of last Sunday off the coast of Chile but no continued efforts are being made to minimize this disaster. Great anxiety is felt concerning Rear Admiral Sir Christopher Cradock, whose fate probably will not be known until it has been definitely determined what has become of his flagship, the Cruiser God Hope.

The British public, however, is not left without some crumbs of comfort, as Berlin officially admits the loss of the Cruiser York, blown up by a mine near Jade, one of the outlying defenses of Wilhelmshaven while in shipping circles in London it is declared that the career of the German cruiser Koensberg in the Indian ocean has been ended.

Scott Rejoins Admiralty.

Sir Percy Scott, England's greatest gunnery expert and a champion of the use of submarines as against dreadnoughts, has rejoined the admiralty. As he has been known in the past as a supporter of Baron Fisher, it is expected that he will uphold the new policies already inaugurated by the first sea lord of the admiralty. Further details from the opinion of the English observers,

that the forward movement of the Russians has become general. Even the Russian left wing, which has been held stubbornly by the Austrians for weeks, has joined in the advance. This is admitted by a conservatively worded report given out in Vienna, which declares that the Austrians, having maintained their position on the Lysa Gora mountain, where the Teutonic allies pivoted in order to let the rest of the army complete its wheeling movement to a new line, are now retiring. At the same time Austria sets forth certain minor successes along the line from the river San to Jaroslau.

Austrians in Rout. Petrograd, however, makes positive assertion that the Austrian movement is a retreat amounting to a rout, in which the Russians have taken many prisoners and much booty. According to reports in the Russian capital, General Von Hindenberg, the German commander, is continuing his retreating movement in Russian Poland while the desperate fighting along the frontier of East Prussia has enabled the Russians to cross the border at several points.

A significant phase of the eastern campaign is indicated by a report from Rotterdam that the ninth German army corps has been transferred from Belgium to East Prussia.

Furious German Attack Expected. In the west attention is concentrated on two points—Ypres, where much of the hardest fighting of the war already has taken place, but where it is expected the Germans are yet to deliver the full fury of their assault in the effort to gain the French coast, and Soissons, where the Germans have gained from the French some positions captured by the British when they first crossed the river Aisne. Along this line a tremendous attack probably already is under way. The outcome may be of the greatest importance.

The Turkish ambassador left London today and Great Britain gave formal announcement of a state of war between the empire and Turkey. These events coupled with the action of British cruisers in bombarding Turkish ports, constitute the extent of the known activities this morning in the Turkish situation.

Persia Aroused Over War.

Petrograd, Nov. 5, via London, 1:10 p. m.—The House news has published a special dispatch from Teheran as follows: "All classes of Persian society are aroused by the action of Turkey. The Persian and the Turkish minister here are exerting all their power to bring Persia into active participation in the war against Russia. Salarsed Dowleh, the pretender to the Persian throne, has announced himself openly as Germany's candidate for rulership of Persia."

"Reports from Tabriz say the Turkish consul there has been arrested and the German and Austrian consuls have taken refuge in the consulate of the United States."

"Turkish troops have crossed the Persian frontier and are approaching Oumea."

Indianapolis, Nov. 5.—Governor Samuel M. Ralston today issued a proclamation calling upon the people of Indiana to subscribe to a fund to be used in relief work for distressed non-combatants in Europe. A cablegram from the relief committee in London received by the governor yesterday suggested the issuance of the proclamation. An effort will be made to secure the equivalent of a shipload of food in this state.

Washington, Nov. 5.—French foreign office dispatches to the embassy here today confirmed the departure of the French Ambassador at Constantinople with his personnel on November 1 and announced that Rifaat Pasha, the Turkish ambassador, has received his passports and left Paris. The dispatches also mentioned the bombardment of the forts on the Dardanelles by an Anglo-French squadron at 5 a. m. on November 3.

AMERICANS SAID TO BE IN DANGER

Turks Cannot Distinguish Difference Between Englishmen and the Americans.

Geneva, Nov. 5, via Paris, 3:20 p. m.—A telegram has been received here from an American business man in Constantinople, saying that Americans in the Turkish capital are in danger for the reason that the Turks cannot distinguish between Englishmen and Americans.

This American declares that all business in Turkey is at a standstill, that the country is virtually the hands of the Germans and that all American business men are ready to leave.

According to advices reaching Geneva from Munich, fourteen German naval officers and fifty sailors, all in uniforms, have left Munich for Turkey. They are traveling by way of Vienna.

According to reliable information in Geneva, German agents are abroad in Switzerland and Italy endeavoring to purchase lead, copper, leather, canned foods and motors for aeroplanes and submarines. They are offering high prices. The Swiss and Italian authorities, which already have prohibited the exportation of some of these articles, are taking further measures in this same direction.

STATUS OF THE NEXT CONGRESS

Democratic Majority in House Cut Down to 25—Majority in Senate Increased to 14.

SOME CASES IN DOUBT

Late Reports From Nevada Show Newlands Leading by 200—Election of Senator Thomas Claimed.

New York, Nov. 5.—With four congressional districts still uncertain, results of Tuesday's elections show that the Democrats elected to the house 228, Republicans 194, Progressives 7, Socialists 1, Independent 1. This would give the Democrats a majority in the lower house of 25. Republicans claim the election of James J. Britt over J. M. Gudgeon in the Tenth district of North Carolina. N. M. McLean, Republican-Progressive in the Third Colorado district, and C. B. Timberlake in the Second Colorado. The Democrats claim the election of G. T. Helvering in the Fifth Kansas. In that event there would be a Democratic majority of 23.

In the senate, late returns left still somewhat in doubt the elections in Colorado, Wisconsin and Nevada. The election of Edward Johnson, Democrat, over Charles H. Burke, Republican, in South Dakota was a gain for the Democrats which offset the defeat of Roger C. Sullivan, Democrat, in Illinois, by Senator Lawrence Y. Sherman.

Newlands Leading Platt.

Latest reports from Nevada showed Francis G. Newlands, Democrat, leading Samuel Platt, Republican, by four votes with about two-thirds of the precincts heard from. Democrats claim the election of Senator Charles F. Thomas over Hubert Work, Republican, in Colorado and the election of Senator Newlands. The Republicans claimed the election of Francis E. McGovern over Paul Hastings in Wisconsin, but Hastings is in the lead. This result, if carried out, would make the representation in the next senate, fifty-five Democrats, forty Republicans and one Progressive, a Democratic majority of fourteen.

ELECTION RESULTS

Chicago, Nov. 5.—Woman suffrage voted up in several states of Tuesday's election, has carried in two states, possibly three and, according to national suffrage leaders, "still has a chance in two others."

This resume was based upon the best information available at noon today. Incomplete returns show victory in Nevada by 3000 majority and a majority for suffrage in Montana. In Nebraska 541 out of 1650 precincts gave 27,139 for and 20,186 against the suffrage amendment but suffrage leaders insist complete returns will show a victory for their cause.

Available returns show the amendment defeated in North and South Dakota. However Mrs. Medill McCormick, chairman of the congressional committee of the National American Woman's Suffrage association, said today the amendment may yet be shown to have won in both Dakotas, since reports of defeat are based on less than half of the returns.

The amendment met overwhelming defeat both in Missouri and Ohio.

GREAT BRITAIN ANNEXES CYPRUS

London, Nov. 5, 11:38 a. m.—Great Britain today formally annexed the island of Cyprus in the Mediterranean which nominally formed a part of the Turkish empire.

The defensive alliance between Great Britain and Turkey having been annulled at the outbreak of war the British government decided that it was necessary to appropriate the island in order that proper provision might be made for its government and for its protection.

The island, since the Anglo-Turkish convention of 1878 had been occupied and administered by Great Britain though it had remained under the suzerainty of the sultan.

MANAGER OF THE SHARON ESTATED DEAD

San Francisco, Nov. 5.—Colonel J. C. Kirkpatrick, manager of the Sharon estate, the Palace and Fairmont hotels of this city, and one of the best known hotel men in the country, died here early today of diabetes. He was a member of the University and Pacific Union clubs and a graduate of Ann Arbor.

SUNDAY BASEBALL ILLEGAL.

Washington, Nov. 5.—The court of appeals here today reversed a ruling of a lower court and held that Sunday baseball in the national capital is illegal.

is 9912 over Roger Sullivan, Democratic candidate. The vote without the missing precincts follows: Sherman 395,877; Sullivan 355,965.

Topeka, Kan., Nov. 5.—With returns from 103 of the 105 counties in the state Curtis' plurality was more than 2000 votes. Based on the same returns, Arthur Capper's plurality is about 4000. Capper is the first native Kansan to be elected governor.

Chicago, Nov. 5.—Complete returns from the twenty-second Illinois congressional district show the election of William A. Rodenberg, Republican, with a plurality of 1,965.

Congress—Kansas: Fifth district, G. T. Helvering, Democrat, re-elected.

Helena, Mont., Nov. 5.—Scattered returns from 70 per cent of the state show the woman suffrage amendment at noon today is ahead by 100 votes. All of the big cities have been heard from.

Miss Jeanette Rankin, chairman of the state committee, claims the state by 50,000 votes.

SEC. DANIELS WELL PLEASED

Democratic Party Has Held Its Own Well Under the Existing War Conditions.

Washington, Nov. 5.—Secretary Daniels today found ground for Democratic optimism in the election returns.

"To have held its own in the senate and to have been able to organize the house by the slenderest majority under prevailing conditions shows the confidence of the people in the Wilson policies," he said. "No party before has revised the tariff and shown such a victory in an off year. But for the demoralization of business, caused by the war in Europe, conditions would have been so good this fall as to have given Republicans no opportunity to come back. The party in power must take the blame for all financial and industrial disturbances occasioned by the temporary troubles caused by the frightful foreign war. But this will pass."

SUFFRAGISTS HAVE 'FIGHTING CHANCE'

Chicago, Nov. 5.—Woman suffrage voted up in several states of Tuesday's election, has carried in two states, possibly three and, according to national suffrage leaders, "still has a chance in two others."

This resume was based upon the best information available at noon today. Incomplete returns show victory in Nevada by 3000 majority and a majority for suffrage in Montana. RUSSIANS FACE PORTE'S ARMY

Ninety Thousand Strong Appear on the Caucasian Border—Outposts Occupy Villages.

FIFTY KURD REGIMENTS

General Sanders Pasha to Assume Command of Turkish Troops in This Section.

Petrograd, Nov. 5.—A Turkish army 90,000 strong, consisting of the Ninth, Tenth and Eleventh army corps, is massed along the Caucasian frontier, according to Novoe Vremya. Many villages have been occupied by outposts of this army. This Turkish army, the Novoe Vremya continues, would consist under normal conditions of 80 battalions of infantry; 60 batteries of artillery containing 230 guns and 40 squadrons of regular cavalry, but to it has been added fifty regiments of Kurd cavalry amounting to 20,000 men.

Russia's sudden and energetic advance into Turkey is believed in Petrograd to have been meant to disband and overawe the Kurd tribes, who are little interested in the success of Turkish arms and are more concerned in the safety of their own villages. Among the towns occupied by the Russians is Akhty, an important junction of the highways to the upper Euphrates river. It is rumored in Petrograd that General Sanders Pasha will assume command of the Turkish troops on the Caucasian front.

AVIATORS ARE SERIOUSLY HURT

Capt. Goodier and Glenn Martin Fell Forty Feet Near San Diego.

San Diego, Cal., Nov. 5.—Captain L. E. Goodier, Jr., U. S. Aviation Corps, was perhaps fatally injured, and Glenn Martin, another aviator, was seriously hurt today in a fall of about forty feet. The accident occurred near the army aviation camp on North Island, across the bay from San Diego. The two aviators were in Martin's machine.

GREAT STUMP IN BULL MOOSE VOTE

Fort Dodge, Ia., Nov. 5.—"The tremendous slump in the Bull Moose vote over the United States emphatically places it as a minor opposition party henceforth," declared Representative Frank P. Woods, chairman of the Republican National congressional committee, here this afternoon.

"The result of the election in the various states leads me to predict that the Republican party will be returned to administer the government in 1916."

Chairman Woods predicted that the Progressive party of the United States "will eventually be controlled by Democrats."

Mr. Woods came to Fort Dodge from his home in Estherville to confer with Senator Kenyon. He expressed himself as highly enthusiastic over the returns from the various states. Amplifying his statement concerning the Progressives, he said:

"It is reasonable to expect that the protectionists will return from the Bull Moose party to the Republican party, while their places will be taken by Democrats who will be out of harmony with their own party policies. As a result, the Progressive party organization eventually will be controlled by Democrats."

CRUISER GLASGOW IS HEARD FROM

Valparaiso, Chile, Nov. 5.—It is learned the British cruiser Glasgow and the transport Oranito escaped after the naval engagement with the Germans off the Chilean coast Sunday. Wireless messages from the Glasgow calling for the British cruiser Good Hope were intercepted. The latter did not reply. It is believed the Good Hope and the British cruiser Monmouth with their total crews were lost.

The whereabouts of the German cruisers Leipzig and Bremen are not known.
